HOW WE OPERATE

We operate with a common-sense approach to each and every case. We therefore assess each case on its own merit, rather than using tick box criteria - always looking for ways to say yes. We underwrite from day one, meaning that we are transparent from the outset, and you can be sure that when we say yes, we mean it.

1

LOAN ENQUIRY & INDICATIVE TERMS

Once the loan enquiry is received, indicative terms are provided with full transparency from the start.

2

MORTGAGE ILLUSTRATION/ESIS ISSUED

This is where we do an in-depth analysis of the client and their requirements.

3

VALUATION INSTRUCTED

Valuers are instructed to visit the property or properties in question. This is what allows us to confirm the terms detailed in the indicative terms.

4

LAWYERS ISSUE LEGAL PAPERWORK

The lawyers will complete all the necessary paperwork for both us and the client to progress the case.

5

LOAN DRAWN DOWN

We are able to provide funds in as little as seven days, depending on the circumstances.
